

ROBINAIR®

VacuMaster™ 15500 High Performance Vacuum Pump

The Industry Standard 5 CFM Vacuum Pump for Today's HVAC/R Technician

For over 50 years, Robinair has led the way with high quality, field proven vacuum pumps. Robinair vacuum pumps are engineered to increase productivity through fast and complete, air and moisture removal. Backed by our limited, no hassle over-the-counter replacement warranty, it's light weight and efficient design provides you with trouble free operation now, and for years to come. Robinair vacuum pumps allow you to close calls quicker.

New and Improved Design with the Power and Capacity to Handle a Wide Range of Service Applications

- New lightweight design
- Improved handle and baseplate
- New IEC connector and power cord
- Lower profile exhaust vent

Features

Two Stage Design - Cleans the system more thoroughly with a second stage vacuum, leading to a deeper ultimate vacuum level

Heavy Duty Motor - 1/3 H.P. motor featuring a rotary vane, sealed bearing, high torque design for easy startup and efficient operation

New Aluminum Reservoir Design - New cast aluminum reservoir reduces weight and creates a strong and durable pump

Brass Intake - Brass intake valve with 1/4" and 3/8" Flare and 1/2" Acme adapters complete with tethered caps

Quick Oil Changes - Oil fill port and drain plug are easily accessible for fast and complete oil changes

Easy View Sight Glass - Clean oil is the key to efficient pump operation; oil color and level are easy to see with the oversized sight glass

15500 Specifications

Free Air Displacement	5 CFM
Factory Micron Rating	35 microns
Number of Stages	2
Motor	1/3 hp
Intake Fitting	1/4" & 3/8" Flare, 1/2" ACME
Oil Capacity	9.5 oz (280 ml)
Voltage	115V 60Hz
Thermal Overload Protection	Yes with accessible fuse
Check Valve and Gas Ballast	Yes
Power Cord	6' with IEC Connector
Switch	Low profile rocker
Weight	21 lbs (9.5 kg)
Dimensions	10"H x 5"W x 13"L
