

Wireless Refrigerant Charging Scale

YELLOW JACKET®

The Wireless Refrigerant Charging Scale 68864 is controlled and operated with any Smart Device via Bluetooth® and the YJACK VIEW™ App.

Convenient Wireless Measurements!

With a 220 lb. capacity, large platform and wireless Bluetooth® communication, this accurate scale makes refrigerant charge measurements fast and easy. Just connect with any smart device and you are ready to go...with .05% accuracy and 0.2 oz. resolution, service technicians can count on precision measurements every time. Save the charging measurements to your smart device, and you have a permanent record for that installation or service call.
