

The Atrix Omega GREEN Supreme

IMMEDIATE CONTAINMENT HEPA FILTER CARTRIDGE!

Why just kill bugs with messy chemicals and heat when you can quickly and safely eliminate them with an Atrix Omega Green Supreme Vacuum?

QUIET!
Less than
70 dB!

Increase your service, increase your revenue!

The Omega GREEN Supreme IPM vacuum is the true *professional's* IPM tool. The immediate containment "True" HEPA filter and powerful motor safely and effectively eliminate both alive and dead pests along with their eggs and feces. The vacuum fits perfectly in the cab of a truck, and can be used on nearly every job a Professional Pest Manager goes on.

- Filtration - Features an immediate containment True HEPA Filter Cartridge that virtually eliminates the risk of exhausting dangerous bacteria, the potentially fatal hantavirus, out into the air you and your customers breathe. Most odors are contained. Hose and filter plugs also come standard.
- Powerful and Quiet - Will capture everything from bed bugs to cockroaches and even hazardous particles, with built in sound suppressing technology.
